

## Assembly Instructions

### Grand Double TP Holder

B847 BZ TP  
 B847 CH TP  
 B847 SN TP

- 1) Screw the Threaded Rod into the top of the base.
- 2) Slide the Bottom Pole over the top of the rod the top threading comes through the top.
- 3) Screw the Top T-pole onto the top of the Threaded Rod.
- 4) Back the set screw out of the knobs, using the enclosed Allen wrench, just enough to get the TP Handles into the holes.
- 5) Once TP Handle is in position, tighten the Set Screw.
