

M128 AB CT - Benedetto Console Table

Assembly Instructions

Parts:	5 long bolts	A - Top
	5 spring washers	B - Brace
	6 short bolts	C - Bottom Shelf
	3 nut caps	D - Legs (3)

- 1) Turn Top upside down on a clean, protected surface.
- 2) Insert short bolts through top holes of legs into top but do not tighten completely
- 3) Attach brace to legs using long bolts and spring washers, but do not tighten completely
- 4) Remove nut caps from bolts already attached to bottom shelf.
- 5) Position legs to bottom shelf and screw on nut caps to hold shelf in place.
- 6) Now go back and tighten long and short bolts.
- 7) Set table upright and it is ready to use.
