

Assembly Instruction

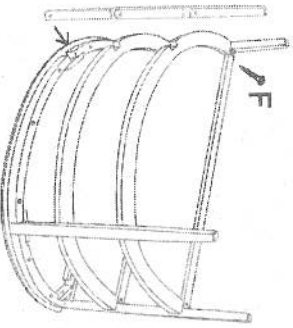

Step 1

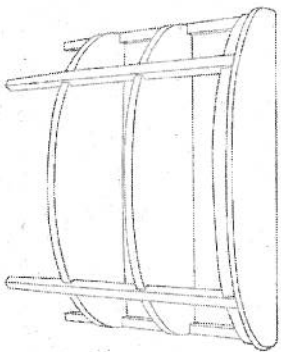

Step 3

Step 4

Step 5

Step 6

- Step 1:** Place table top(D) on a smooth surface, then attach leg(A) to the hole of inside table by using washer(G), longer screw(H) and allen wrench(I), but do not tightly secure the screw, then attach leg(B) & leg(C) in same way.
- Step 2:** Attach panel(E) to the middle of the leg.
- Step 3:** Attach panel(E) to the bottom of the leg.
- Step 4:** Attach leg(C) to the last hole of inside table.
- Step 5:** Tightly secure all screw(H), and finally secure table by using wood screw(F).
- Step 6:** Turn the table up-side-down and ready to use.
