

# ASSEMBLY INSTRUCTIONS

screws

1. Remove all parts from box carefully to start assembly.
2. Take table top (A) and pull out the glass.  
Then turn wood table top upside down to attach four legs (B) screw points A, B, C & D.
3. Take shelf (C) to bottom of four legs (B) screw points A, B, C & D.
4. Check all screw and tighten well to make it stable.
5. Turn it back up to stand and place the glass onto wood table top.
6. Now enjoy your new table.
