

ASSEMBLY INSTRUCTIONS

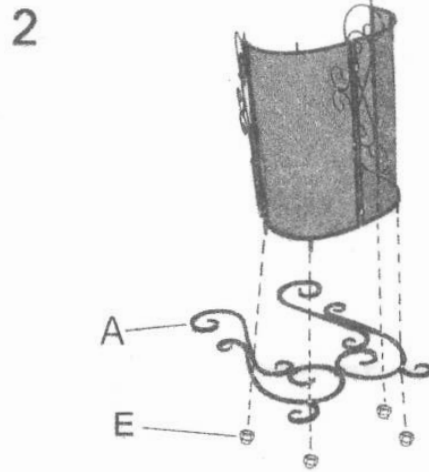

ITEM NO:Y10774X

Parts required

A		2pcs	D		1pc
B		2pcs	E		12pcs
C		1pc			

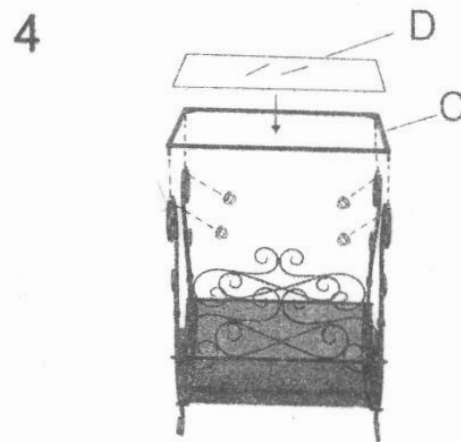

Fix one piece of gauze screen(B) into the other one.

Secure the gauze screens with 2 nuts(E) at each side into the side panel(A).

Put the other piece of metal side panel (A) onto the previous assembled part and tighten it with 4 nuts (E).

Make the assembled part stand erectly and secure the glass supporter(C) onto it with 4 nuts (E). Finally please gently put the glass (D) on the glass supporter(C).
