

Assembly Instructions

STEPS:

1. Connect the top of Crystal Chains(D) to the Top Plate(C) on main Base (M) and the bottom to the small crystals(E) on both sides of Crystal Chains(G). (See Crystal Chain Assembly below for details).
 2. Attach large Crystals(F) to middle of Crystal Chains(G). A total of 6 pieces Crystal(F) need to be attached in this step.
 3. Attach large Crystals(H) to ring(I) on the arms of the main Base (M). A total of 6 pieces of Crystal(H) need to be attached in this step.
 4. Screw Tube(A) to Main Base(M), then screw Tube(B) to Tube(A).
 5. Screw the bulbs to sockets. Please avoid excessive tightening to avoid bulb damage.
 6. Put Ring(L) between Tube(B) and Lamp Shade, screw on Loop(N) to Tube(B) and tighten.
 7. Connect one Loop(N) to each end the metal chain using the Links. Adjust the metal chain according to desired length.
 8. Attach long Crystal(J) to ring(K) on the main Base(M).
