

Thank you for Purchasing the Shepherd Yard Address Post.

We have taken great care to manufacture this house number just for you.

Please review the assembly instructions. We hope you enjoy your new Shepherd Yard Address Post.

Step 1

Place sign base in desired location

Designed By:

Jason
Studios®

Exclusive for Touch of Class®

Please Note:

Please do not use a hammer directly on the post when placing it into the ground. We suggest placing a wood block on top of the post while using a rubber mallet to drive the post into the ground. You may also want to wait until the ground is soft before placing your sign.

Hammering directly on the mounting base may cause damage to the painted finish and may lead to rust of the unprotected finish.

Made in the USA
