The Zadro® Lexington Customizable Sunlight LED Vanity Mirror is designed to give you optimum performance and convenience.

- Dual-Sided Surround Light Vanity Mirror provides a 10X Magnifying Mirror and 1X True View Mirror
- LEDs Consume Up to 70% Less Energy than Regular Bulbs
- Infinity Dimmer Pad in Base Allows for Custom Brightness Control
- 360° Endless Mirror Head Rotation
- Height Adjustable From 20 $\frac{3}{4}$ " Tall Down to 11 $\frac{1}{2}$ "
- 7 $\frac{1}{2}$ " Round Mirror with Optical Quality Glass
- AC Adapter (Included)

OPERATING INSTRUCTIONS

1. Your ZADRO® LED mirror will swivel so that you can use either the 10X magnifying mirror or the true view 1X mirror located on the opposite side.
2. To turn the light on, tap the control pad.
3. To dim/brighten the light, touch and hold the control pad button until the desired brightness is achieved. Mirror will remember last brightness setting used.
4. After use, always turn off the light by tapping the control pad.

DANGER/WARNING

To reduce the risk of burns, fire, electric shock, or injury to persons:

- Be sure the mirror is not in a position where it can reflect sunlight. Reflected light can cause fire.
- Close supervision is necessary when this appliance is used by, or near children, or disabled persons.
- Use this mirror only for its intended use as described in this manual. Never operate this mirror if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return unit to manufacturer for examination and repair. Do not use outdoors.

CARE AND MAINTENANCE

If properly used and cared for, this appliance will give you many years of worry-free service.

1. Always unplug the mirror before cleaning.
2. For unit, use a damp cloth. For the mirror surface, use a damp cloth or glass cleaner.

AC ADAPTER

Use only an AC power adapter approved by Zadro Products or use with this mirror. The use of any other adapter will void the warranty and can damage the mirror.
