

Palm Tree Accent Table

Parts required

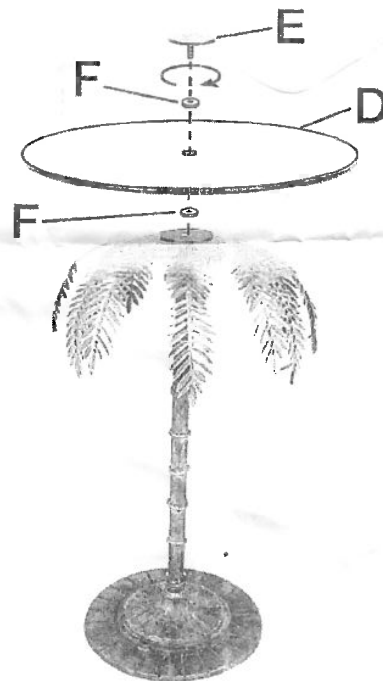

| | | | |
|---|---|------------|-----|
| A |  | metal base | 1pc |
| B |  | metal pole | 1pc |
| C |  | table top | 1pc |

| | | | |
|---|--|---------------|------|
| D |  | glass top | 1pc |
| E |  | top cap | 1pc |
| F |  | rubber washer | 1 pc |

1.

2.

1. Place metal base (A) on a flat surface.
2. Screw middle metal pole (B) into base (A), tighten.
3. Screw (C) to middle pole (B), tighten.
4. Unscrew the top cap (E) from the top of the palm tree (C). Note: There will be a washer already attached to the top cap (E), simply unscrew. In this order, place the rubber washer (F), glass (D), flat washer (from the top cap), and then screw on the top cap (E).

Your leaf side table is ready for use.
