

Assembly Instructions

CAUTION

Read Instructions carefully and turn electricity off at main circuit breaker panel before beginning installation.

WARNING

All wires are connected. When unpacking box, be careful not to pull wires. A bad connection may result. Do not connect electricity until lamp is fully assembled. Unpack and place all parts on a flat surface or floor.

ASSEMBLY INSTRUCTIONS:

- 1) Place the lamp on a level surface.
- 2) Screw Socket assembly into Base.
- 3) Screw Threaded Rod into the Socket assembly.
- 4) Put the Washer onto the Threaded Rod.
- 5) Place the Shade over the end of the Threaded Rod and screw the Finial securing the shade in place.
- 6) Insert bulbs into the bulb sockets.

Recommended (2) 60W max. bulbs, not included.

Important Safety Instructions:

- This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If it does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician.
- Never use with an extension cord unless the plug can be fully inserted.
