1. Carefully remove all parts from carton. Check carton for loose shelf rest screws, which should already be attached to side panels (F). Also, take care to not misplace contents of screws package.
2. We recommend two persons for assembly. Attach bottom legs (H) to bottom wood shelf (G). Tighten legs.
3. While one person holds a side panel (F), the other person attaches it to the bottom shelf (G) with flat washers (A), then spring washers (B), then screws (C1). *To differentiate between the top and bottom of each panel, the top side of each panel has holes all the way through. Scrollwork should be on the outside of each panel* Tighten screws. Attach top shelf with spring washers (B) and screws (C).
4. Attach the middle shelves (E) onto the side panels (F) using the shelf pegs (I).
5. Attach shelf top (D) to side panels (F) in the same manner as Step 3.
6. Your new furnishing is ready for use.
