

Assembly Instructions

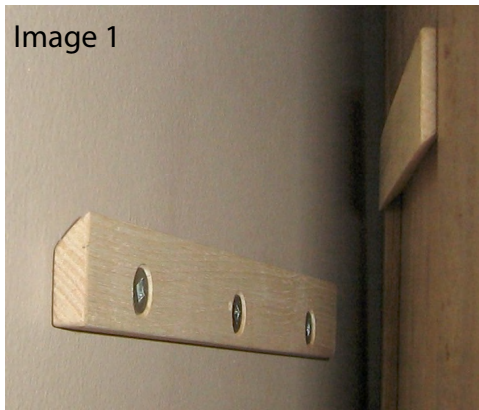

Easton Wall Shelf
Item # W890

How to hang using the French cleat mounting system.

1. Hang the cleat (angled bar) to the wall using the included hardware. Make sure that the angled side is at the top facing you. (See image 1).

Please note that the French cleat will not be seen later.

2. Find the “track” on the back of the shelf and simply place onto the cleat.
