

Thank you for Purchasing the LaCasa House Number Sign.

We have taken great care to manufacture this house number just for you.
Please review the assembly instructions. We hope you enjoy your new LaCasa House Number Sign.

Please use a screwdriver to assemble legs to the LaCasa main body as shown.

Please note:

Please do not use a hammer to place yard stakes into ground.
Hammering legs may cause damage to the painted finish and may lead to rust of the unprotected finish.
We suggest waiting until the ground is soft enough to push the sign into ground by hand.

Made in the USA
